

CRANBERRY MANOR DOG POLICIES & AGREEMENT

We created the following policies to help ensure the safety and comfort of all of our human and canine guests:

Vaccinations/Parasites:

For the safety of all dog guests, we require records showing that your dog is current on their vaccinations for DHLLP, rabies and Bordetella; and dogs need to be flea free.

Dogs in the House:

Dogs are permitted in the guest rooms and in all common areas of the inn. We provide cozy dog beds in each room but if they prefer to climb into bed with you we ask that you cover your comforter with the designated dog sheets. We also ask that you use the dog towels for dirty or muddy paws and do not use the guest room towels.

To prevent injuries, we ask that all dogs be leashed in the house and on our grounds except in your guest room.

We require that you do not leave your dog alone in your bedroom unless they are crated. You can bring your own or can use the crates that we provide.

There is no additional deposit for keeping a dog in a guest room but Cranberry Manor reserves the right to full reimbursement for any damage caused by human or dog guests. And guests will be responsible for the rate of the room for each day it is out of service due to damages.

Accidents and Dog Waste:

Please place all dog waste in the clearly marked receptacles around the grounds. Do not place dog waste into the toilet, waste basket or any other area of the guest rooms.

We understand that accidents happen. If your dog should have an accident in the room or house, please clean it and notify the innkeepers as soon as possible. Cleaning supplies can be found in the closet of each guest room.

Barking and Howling:

Dog owners must take all measures to prevent their dogs from loud or frequent or habitual barking, howling, crying, or yelping. Should your dog cause a disturbance while you're away from the room we will contact you and ask that you return to the inn immediately to take care of the situation.

Age/Breeds/Aggressive Behavior:

We do not have age or breed restrictions - all dogs of all ages are welcome as long as they are housebroken and have not shown aggressiveness to either dogs or humans. Guests will be liable for any injury caused by their dog to any person or animal while on Cranberry Manor's premises.

I understand and will comply with the above well-behaved dog policies during my stay at Cranberry Manor Bed & Breakfast
